

WELCOME TO THE TRI-COUNTY CHARM TRAIL!

Oregon's Tri-County wine region includes Marion, Polk and Yamhill counties and is located in the lush Willamette Valley, named the 2016 Wine Region of the Year by *Wine Enthusiast magazine*.

The Tri-County Charm Trail is a great way to discover attractions highlighting history, theater, family fun and our vibrant culture.

The Tri-County countryside is home to a majority of Oregon's vineyards and wineries whose wines compete with the finest varietals of Europe's Alsace, Burgundy and Rhine regions. Tucked between the Cascade Mountains and the Coastal Range, this region provides the perfect microclimates for a wine-growing region of rare distinction. Volcanic soils, perfect elevations and cool Pacific

breezes work together to produce the ideal growing conditions for cool climate grapes.

The soil, weather and the gentle, sunny slopes allow the grapes to ripen slowly; developing the delectable flavors required for world-class wines. By world standards, the region's largest wineries are small but the wines they produce are award-winning.

Traveling along the country roads of the Tri-County region, keep your eyes open for farm markets, gardens, wildlife, old country churches and photo opportunities - but above all, be sure to enjoy the "fruit of the vine."
